

# CHM82 1" Aluminum

## Horizontal Blinds

Our Model CHM82 micro aluminum blind provides a distinctly different look with a 5/8" slat. Delivering good light control with 12mm tape spacing and heavy-duty 5/8" x .008" slats, the CHM82 also has a sturdy steel headrail that accommodates narrow mounting depths.

### Durability

Durable operating systems and slats ensure consistent performance.

### Wide Color Selection

Durable aluminum alloy slats are available in a wide selection of colors.

### Key Features

- 1" x 1" x .024" Steel Headrail
- 5/8" x .008" gauge slats
- 12mm Tape Spacing
- Closed oval steel bottom rail provides optimal strength to prevent bowing
- Cord stop to single cord pull
- Slats contain 70% recycled aluminum content

### Design Options

- Two-Position Cord Lock - restricts blinds to only two settings, fully raised or fully lowered
- Pocket Brackets - spring loaded brackets to easily conceal the hardware in a ceiling pocket
- Limited Tilt - allows proper clutch-tilter operation to stop over-rotation
- Motorization for open, close and tilt slat available with a 1-1/2" x 2-1/4" headrail

### Certifications

- Meets all NFPA 701 and CA Title 19 requirements
- GREENGUARD Gold Certified for low-emitting products
