

H200 2" Aluminum Horizontal Blinds

Offering maximum strength and sleek styling, our H2 blinds give the traditional look of 2" slats and can be optimized for a range of design applications. Model H200 features heavy-duty slats of .008" gauge aluminum, a low-profile steel headrail, and superior light control with 42mm tape spacing.

Durability

Durable operating systems and slats ensure consistent performance.

Lighting Control

Superior lighting control with 42mm tape spacing.

Wide Color Selection

Durable aluminum alloy slats are available in a wide selection of colors.
