

# Duette® FR Honeycomb Shades

The durable, energy-efficient design of Duette® FR Honeycomb Shades makes them an ideal choice for healthcare and assisted living centers, government/military buildings, and a wide range of public spaces.

## KEY FEATURES

- GREENGUARD GOLD certified for low-emitting products
- Fabrics meet all requirements of NFPA 701 small scale flammability testing for commercial applications
- Energy-efficient honeycomb design
- Durable Headrail Finish - Designed to blend seamlessly, the Duette textured matte finish headrail features a soft, refined aesthetic that coordinates with the look and color of the shade fabric
- Lifetime Guarantee

## Fabrics: 3/4" Opaque (D23)
