

RB 500+ Automated Roller Shades

WHY CHOOSE RB 500+ AUTOMATED ROLLER SHADES?

Our engineers reimagined roller shades with the RB 500+ system—drawing on decades of experience to solve challenging conditions, ensure smooth, quiet operation, and lift oversize shades with ease. Available in both automated and manual options, with a wide range of motorized solutions and hundreds of fabric styles to suit any space.

Over 70 fabrics in more than 500 colors, including our high-performance KOOLBLACK® Technology and Cradle to Cradle Certified™ fabrics.
